Subject: RE: Williams AFB ST012 EBR slide presentation

Fine with me. I made one edit to Carolyn's version.

At this time, I'd like to keep the slides separate.

Or, here are the edited slides. You could put them back in the presentation, or we can leave it separate.

I can do that. Not sure I have the ice crystal slide, can you send that to me to add?

Hi Steve,

I am looking at the slides with Eva. Suggest you take Eleanor's name off the first slide as it is ADEQs presentation. Karla will pick up from there to discuss the bioaugmentation options. Could you add the deleted slides for Karla to speak from? You can also add my ice crystal at the end as a secondary amendment.

Subject: Williams AFB ST012 EBR slide presentation

All,

The slide presentation that will be provided at tomorrow's Williams AFB BCT meeting is attached. Eleanor Jennings will present the technical review of the EBR microbiological analytical results and Wayne Miller will reiterate ADEQ Management's stance as indicated on slide #11.

Thank you,

Steven A. Willis, RG
